

Schnucks Stores:

Schnucks Grocery Stores and Knights of Columbus have come together to help our Developmental Disability Drive be as successful as it can be. With the talks, Schnucks agreed to have one Knights of Columbus council at each location in the State of Missouri, for the October 10-12 and they also agreed to October 17-19 that will be used for overflow at certain stores.

How this is going to work, each council will get a store on one of the two weekends. In the areas where there are multiple councils bidding for the same store, one council will get the first weekend and the other will get the second weekend. My choice for the first weekend is the council that turned in the most money to Columbian Charities for the drive from the previous year. **There will be one insurance policy sent to the Schnucks Corporate office that will be in force for all the stores in Missouri. No longer will each store require a specific policy.**

All councils that have a drive should be able to have a Schnucks store for one of the two weekends. It needs to be fair. There are only a few places that a council would want two or more stores and between Schnucks and myself we will determine what council would be at those stores. With multiple stores some councils may be setup for the second weekend to accommodate councils. I encourage all councils that want a weekend at **Schnucks email me with Council#, date of drive (either weekend), contact person, and Schnucks Store location.** Once this information is received, we will be assigning the stores to councils.
