Hello!

Get ready for one of the biggest and most exciting community events of the year! Knights of Columbus Council 1121 is proud to host the 2026 State Horseshoe Tournament in Washington, Missouri from Friday, August 14th through Sunday, August 16th—and this year's event is shaping up to be bigger than ever. With nearly 2,000 attendees expected, this high-energy weekend will bring together competition, camaraderie, and community spirit all in one place.

The action kicks off Friday night with a lively Mixer featuring a live band, a poker tournament in the lounge, and great food and drinks to get the weekend started right. Saturday and Sunday are packed with horseshoe competition from morning to evening, beginning each day with a hearty breakfast and continuing with nonstop games, great food, and a fun, family-friendly atmosphere. Sunday will also include Mass and conclude with final rounds and celebrations you won't want to miss.

Beyond the excitement, this event carries a powerful purpose. Proceeds from the tournament support local charities, scholarships, and vital programs led by Council 1121. It's a weekend of fun that directly gives back to the community—and that's where you can make an even bigger impact.

We are currently seeking support from local businesses and community members through our official sponsorship program. Please take a moment to review the following sponsorship form, which outlines several great opportunities to get involved—from program ads and event banners to apparel sponsorships and exclusive promotional packages. Not only will your support help make this event a success, but it also provides excellent visibility for your business in front of a large, engaged audience throughout the weekend.

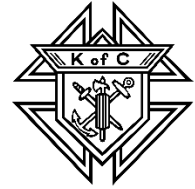

If you've ever been part of this tournament, you know how special it is. If you haven't—this is your year. Whether you attend, compete, or support as a sponsor, you're helping create an unforgettable event while making a lasting difference in the community. We truly appreciate your consideration and generosity, and we look forward to seeing you in August!

Thanks for your support,

Kyle Mantle- Chair
