

Pulpit Talk: The 250th Anniversary Freedom Drive

Time: Approx. 2 minutes

Good morning/evening, Brother Knights and fellow parishioners.

As we approach our nation's historic 250th anniversary, we reflect on the pillars that sustain us: faith, family, and religious liberty.

Here in Missouri, the Knights of Columbus are marking this milestone by launching "**The 250th Anniversary Freedom Drive.**" Our theme is *Honoring our Heritage, Securing our Future.*

Patriotism and community service define who we are as Knights. But to keep making a difference for Missouri families, we need good, faithful men to stand with us.

Because of this, we are challenging every current Knight in our council to invite **just one** new brother into our ranks this July.

If you are a Catholic gentleman looking to strengthen your faith, serve your community, and protect our religious freedoms alongside a brotherhood of faithful men—we want you with us.

We will be in the back of the church after Mass today. Please stop by to ask questions, meet the team, and sign up.

Help us expand the brotherhood that protects our families and our faith.

Thank you, and Vivat Jesus!
