

STEPS TO SETTING UP YOUR WALMART NONPROFIT ACCESS ACCOUNT FOR YOUR DD DRIVE.

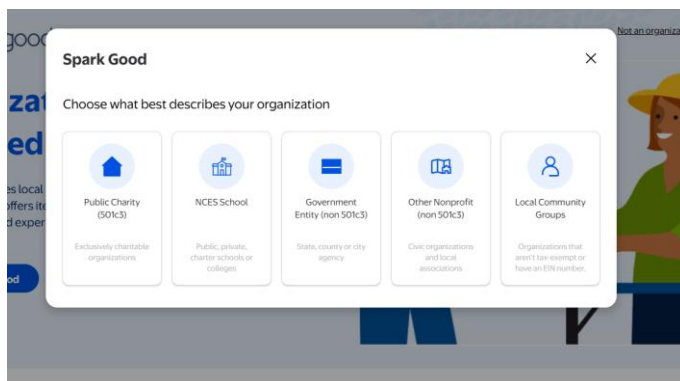

1. To begin, go to Walmart.com and setup an account by clicking **Sign In Account**. Create an account:

2. Once your Walmart account is created, Go to www.walmart.com/nonprofits

3. Click on Access Spark Good

4. Click on Public Charity 501C3

5. Click Add Organization

Thank you for your commitment to your community.
We recently changed our verification provider. If you do not see all the organizations you are associated with, please click add organization to link your organization to your Spark Good account.

8. After entering your information, you will be asked if you want to send an email confirming you desire to become a member of the Deed/Columbian Charities site. This you will want to do.

9. If done correctly, you should see the following message:

10.

FINAL NOTE: To ensure all requests for access that I receive are legitimate, please email me at JGambon3645@gmail.com and tell me what council you are with. Council name and number are preferred. *(I have already received what are bogus requests for access)*
